

## **Dr. Elixir Privacy Policy**

We recognise the importance of maintaining your privacy. We value your privacy and appreciate your trust in us. This Policy describes how we treat user information we collect through our app. This Privacy Policy applies to current and former visitors to our app. By visiting and/or using our app, you agree to this Privacy Policy.

Dr. Elixir is a property of DeepMinds, BIT Mesra.

### **Information we collect**

We might collect your name, email, mobile number.

We also collect the medical information shared by you with us.

We collect information directly from you and not from other third party sources.

### **Use of your personal and medical information**

We use your medical information only to help you with your illness. Your medical history is not shared with anyone. You will have an option to join a chat room based on the disease you have. By consenting to join the chat room, you are allowing us to share your personal information with third parties or other users who wish to contact you. Your personal information will be shared only if you join any chat room and not otherwise.

### **Updation of this privacy policy**

We hold the right to make changes to this policy at anytime. Therefore, please check for updates periodically.
